

## Automotive Applications

### Door Handle

|                    |                      |
|--------------------|----------------------|
| Nylene® 4214-33 HS | Nylene® 6            |
| Nylene® 5213 HS    | Nylene® 6            |
| Nylene® 5233       | Nylene® 6            |
| Nylene® 5233 HS    | Nylene® 6            |
| Nylene® 5243 HS    | Nylene® 6            |
| Nylene® 7115 HS    | Nylene® 6            |
| Nylene® 5213       | Nylene® 6            |
| Nylene® 7115-02 HS | Nylene® 6            |
| Nylene® 5240 HS    | Nylene® 6            |
| Nylene® 5215       | Nylene® 6            |
| Nylene® 5213-02    | Nylene® 6 GF Economy |
| Nylene® 5233-02    | Nylene® 6 GF Economy |
| Nylene® 5233-04 HS | Nylene® 6 GF Economy |

### Engine Cover

|                        |             |
|------------------------|-------------|
| Nylene® 6240 HS        | Nylene® 6   |
| Nylene® 4214 -14 BK    | Nylene® 6   |
| Nylene® 4114-33 HSL    | Nylene® 6,6 |
| Nylene® 4114 HS        | Nylene® 6,6 |
| Nylene® 4114           | Nylene® 6,6 |
| Nylamid 8005 HSL SP10  | Nylene® 6,6 |
| Nylene® 6140 HS        | Nylene® 6,6 |
| Nylene® 4114 HS BK ISO | Nylene® 6,6 |
| Nylene® 4114 HS BK     | Nylene® 6,6 |

### Fuel Filter Housing

|              |           |
|--------------|-----------|
| Nylene® 401D | Nylene® 6 |
|--------------|-----------|

### Headlamp Bracket

|             |                        |
|-------------|------------------------|
| Naxel PC506 | Naxel® PC and PC Alloy |
|-------------|------------------------|

### Headrest Guide

|              |             |
|--------------|-------------|
| Nylene® 4114 | Nylene® 6,6 |
|--------------|-------------|

### Intake Manifold

|                 |                      |
|-----------------|----------------------|
| Nylene® 5233    | Nylene® 6            |
| Nylene® 5233 HS | Nylene® 6            |
| Nylene® 5233-02 | Nylene® 6 GF Economy |

# Application Guide

|                     |                        |
|---------------------|------------------------|
| Nylene® 5233-04 HS  | Nylene® 6 GF Economy   |
| Nylene® 5135 HS     | Nylene® 6,6            |
| Nylene® 5133 HS     | Nylene® 6,6            |
| Nylene® 5133        | Nylene® 6,6            |
| Nylamid® 5133-04 HS | Nylene® 6,6            |
| Nylene® 5105        | Nylene® 6,6            |
| Nylamid® 5133-04 BK | Nylene® 6,6 GF Economy |

## Light Reflector

|                       |             |
|-----------------------|-------------|
| Nylene® 6240 HS       | Nylene® 6   |
| Nylene® 5133          | Nylene® 6,6 |
| Nylene® 5105          | Nylene® 6,6 |
| Nylene® 5110 HS       | Nylene® 6,6 |
| Nylene® 5115 HS       | Nylene® 6,6 |
| Nylene® 5120 HS       | Nylene® 6,6 |
| Nylene® 5125 HS       | Nylene® 6,6 |
| Nylene® 5130 HS       | Nylene® 6,6 |
| Nylene® 5135 HS       | Nylene® 6,6 |
| Nylene® 5140 HS       | Nylene® 6,6 |
| Nylene® 5145 HS       | Nylene® 6,6 |
| Nylene® 5130 SP-CP    | Nylene® 6,6 |
| Nylene® 5120-01 FR BK | Nylene® 6,6 |

## Multifunction Switch

|                    |           |
|--------------------|-----------|
| Nylene® 7115 HS    | Nylene® 6 |
| Nylene® 7115-02 HS | Nylene® 6 |

## Power Steering Reservoir

|                |                  |
|----------------|------------------|
| Nylene® NX4747 | Specialty Nylons |
|----------------|------------------|

## Roof Rack

|                    |                      |
|--------------------|----------------------|
| Nylene® 5233       | Nylene® 6            |
| Nylene® 5233 HS    | Nylene® 6            |
| Nylene® 7115 HS    | Nylene® 6            |
| Nylene® 7115-02 HS | Nylene® 6            |
| Nylene® 5233-02    | Nylene® 6 GF Economy |
| Nylene® 5233-04 HS | Nylene® 6 GF Economy |

## Seat Adjuster Levers

|                    |           |
|--------------------|-----------|
| Nylene® 401        | Nylene® 6 |
| Nylene® 4214-33 HS | Nylene® 6 |
| Nylene® 5233       | Nylene® 6 |
| Nylene® 5233 HS    | Nylene® 6 |
| Nylene® 5243 HS    | Nylene® 6 |

# Application Guide

|                    |                      |
|--------------------|----------------------|
| Nylene® 5240 HS    | Nylene® 6            |
| Nylene® 5233-02    | Nylene® 6 GF Economy |
| Nylene® 5233-04 HS | Nylene® 6 GF Economy |
| Nylene® 132 HSL    | Nylene® 6,6          |
| Nylene® 132 HS     | Nylene® 6,6          |
| Nylene® 4114       | Nylene® 6,6          |
| Nylene® 132        | Nylene® 6,6          |

## Seat Belt Components

|                     |             |
|---------------------|-------------|
| Nylene® 206         | Nylene® 6   |
| Nylene® 321 HS      | Nylene® 6   |
| Nylene® 4114        | Nylene® 6,6 |
| Nylene® 4114-33 HSL | Nylene® 6,6 |

## Seat Pan

|                     |             |
|---------------------|-------------|
| Nylene® 4214        | Nylene® 6   |
| Nylene® 4214-33 HS  | Nylene® 6   |
| Nylene® 4214 -14 BK | Nylene® 6   |
| Nylene® 4114        | Nylene® 6,6 |

## Wheel Cover

|                  |             |
|------------------|-------------|
| Norpex PPE AX265 | Norpex® PPE |
| Nylene® 6240 HS  | Nylene® 6   |

## Housing

|                        |                        |
|------------------------|------------------------|
| Naxel A914             | Naxel PC ABS           |
| Naxel PC40             | Naxel® PC and PC Alloy |
| Naxel PC35CV           | Naxel® PC and PC Alloy |
| Naxel PC10             | Naxel® PC and PC Alloy |
| Naxel PC40CV           | Naxel® PC and PC Alloy |
| Naxel PC41             | Naxel® PC and PC Alloy |
| Naxel PC43             | Naxel® PC and PC Alloy |
| ALM POLYCARBONATE PC30 | Naxel® PC and PC Alloy |
| Norpex PPE AX20MR FR   | Norpex® PPE            |
| Nylamid® 5213-04 BK    | Nylene® 6              |
| Nylene® 5230           | Nylene® 6              |
| Nylene® 5230-21 HS BK  | Nylene® 6              |
| Nylene® 5113 HS        | Nylene® 6,6            |
| Nylene® 5113 HS BK     | Nylene® 6,6            |
| Nylamid® 5113-02 HS    | Nylene® 6,6            |
| Nylamid® 5113-02 HS BK | Nylene® 6,6            |
| Nylene® 5113           | Nylene® 6,6            |
| Nylene® 6140 HS        | Nylene® 6,6            |

# Application Guide

|                    |             |
|--------------------|-------------|
| Nylene® 5115 HS    | Nylene® 6,6 |
| Nylene® 5120 HS    | Nylene® 6,6 |
| Nylene® 5105 HS    | Nylene® 6,6 |
| Nylene® 5110 HS    | Nylene® 6,6 |
| Nylene® 5125 HS    | Nylene® 6,6 |
| Nylene® 5130 HS    | Nylene® 6,6 |
| Nylene® 5135 HS    | Nylene® 6,6 |
| Nylene® 5140 HS    | Nylene® 6,6 |
| Nylene® 5145 HS    | Nylene® 6,6 |
| Nylene® 5130 SP-CP | Nylene® 6,6 |

## Fuel Tanks

|                     |                  |
|---------------------|------------------|
| Nylene® 494P        | Specialty Nylons |
| Nylene® 494P IM     | Specialty Nylons |
| Nylene® 494P IM BLK | Specialty Nylons |
| Nylene® 494P BLK    | Specialty Nylons |
| Nylene® 494P IM UV  | Specialty Nylons |

## Convuluted Tubing

|                          |                            |
|--------------------------|----------------------------|
| Nylene® 323              | Nylene® 6                  |
| Nylene® 323 HS           | Nylene® 6                  |
| Nylene® 2409 HSSP BK     | Nylene® 6 Extrusion Grades |
| Nylene® 2401 HSSP BK     | Nylene® 6 Extrusion Grades |
| Nylene® 2407 HSSP BK     | Nylene® 6 Extrusion Grades |
| Nylene® 2407 HSSP BK     | Nylene® 6 Extrusion Grades |
| Nylene® 2407 HSSP        | Nylene® 6 Extrusion Grades |
| Nylene® 2433 HSSP BK     | Nylene® 6 Extrusion Grades |
| Nylene® 2407 HSSP BK ISO | Nylene® 6 Extrusion Grades |

## Fuel Applications

### Hydraulic Tanks

|                     |                  |
|---------------------|------------------|
| Nylene® 494P        | Specialty Nylons |
| Nylene® 494P IM BLK | Specialty Nylons |
| Nylene® 494P BLK    | Specialty Nylons |
| Nylene® 494P IM     | Specialty Nylons |
| Nylene® 494P IM UV  | Specialty Nylons |

### Chemical Storage Tanks

|                     |                  |
|---------------------|------------------|
| Nylene® 494P        | Specialty Nylons |
| Nylene® 494P IM BLK | Specialty Nylons |
| Nylene® 494P BLK    | Specialty Nylons |
| Nylene® 494P IM     | Specialty Nylons |
| Nylene® 494P IM UV  | Specialty Nylons |

### Hot Liquid Tanks

|                     |                  |
|---------------------|------------------|
| Nylene® 494P        | Specialty Nylons |
| Nylene® 494P IM BLK | Specialty Nylons |
| Nylene® 494P BLK    | Specialty Nylons |
| Nylene® 494P IM     | Specialty Nylons |
| Nylene® 494P IM UV  | Specialty Nylons |

### Blower Housings

|                     |                  |
|---------------------|------------------|
| Nylene® 494P        | Specialty Nylons |
| Nylene® 494P IM BLK | Specialty Nylons |
| Nylene® 494P BLK    | Specialty Nylons |
| Nylene® 494P IM     | Specialty Nylons |
| Nylene® 494P IM UV  | Specialty Nylons |

### Fuel Tanks

|                     |                  |
|---------------------|------------------|
| Nylene® 494P        | Specialty Nylons |
| Nylene® 494P IM BLK | Specialty Nylons |
| Nylene® 494P BLK    | Specialty Nylons |
| Nylene® 494P IM     | Specialty Nylons |
| Nylene® 494P IM UV  | Specialty Nylons |

### Diesel Tanks

|                     |                  |
|---------------------|------------------|
| Nylene® 494P        | Specialty Nylons |
| Nylene® 494P IM BLK | Specialty Nylons |
| Nylene® 494P BLK    | Specialty Nylons |
| Nylene® 494P IM     | Specialty Nylons |
| Nylene® 494P IM UV  | Specialty Nylons |

### Gasoline Tanks - Single Layer

|              |                  |
